

Condensed Matter Seminar

National Center for Theoretical Science
National Taiwan Normal University

SPEAKER: Dr. 連德軒
(University of California, Berkeley)

TITLE: Monolayer Semiconductor
Optoelectronics: From Defect
Passivation to Device Innovation

TIME: 12:00, March 30 (Friday)

PLACE: F104, Science Bld., NTNU

Registration: <http://www2.phy.ntnu.edu.tw/~cms>
